PROF. CHANDLER of New York City, in a lecture delivered by him at Cooper Institute, March 19, 1870, said:

"It is hardly necessary to enlarge upon the terrible accidents which have resulted from the use of unsafe kerosene; you have only to read the newspapers from day to day to see them. It is stated by some that these are exaggerated; that these accidents never occur, and that you and I never had a friend burned to death; still we do have an enormous number of terrible accidents from petroleum. In the last seven months of 1869 there were fifty five kerosene accidents in New York, resulting in twenty-three deaths, eighteen serious injuries and fourteen slight ones. The total result for the year 1869, for the City of New York which I myself have cut from newspapers is fifty-two fatal accidents from dangerous kerosene, fifty severe and six slight, in all 108 persons to my knowledge, from my own reading have been injured by kerosene in one year."

J. H. HORNER, } Associate Principals.
R. H. GRAVES, }

THIS SCHOOL which has been for the last twenty years under the exclusive charge of J. H. Horner, will henceforth be conducted under the joint supervision of the above principals, with competent assistant instructors in every department.

The course of study has been extended, and boys will be thoroughly fitted for advanced classes in Colleges, special reference being had to the qualifications requisite to admission into the Senior classes in the University of Virginia, of Washington Lee University. The latter of which has again conferred upon the school the honor of a scholarship in that Institution.

A regular course of study in Natural Sciences, Commercial Science and the Modern Languages has been added to the school for those students, who, desiring to acquire only a complete business education may wish to substitute these studies for Latin and Greek.

No pains will be spared to render the instruction in the school efficient and to furnish to students the most ample facilities for thorough preparation for College or for the acquisition of a good business education; and the principals flatter themselves that their long and successful career as teachers is a sufficient guarantee that the school will be in all respects worthy the public confidence and support.

The Spring Session will open the second Monday in January.

Circulars containing terms and full particulars furnished upon application to either of the principals.

INCITING TO MURDER AND OUT RAGE.

In an article in the *Standard* of last Saturday occurs the following sentence:

"We advise the Republicans of every county and neighborhood to watch out and kill every Ku Klux they see. Whenever a man is seen prowling about disguised, he should be shot down on the spot."

This is the sort of advice that has been sent out from Raleigh before; as is testified to by several of the negroes recently arrested for barn-burning in the Buckhorn section of the county. Such advice can emanate from none but a cowardly monster, and the Author of it is fit only for the mad house or the Penitentiary.

Republicans—yes, *Republicans*, as attested by the Penitentiary register and Court records—in every county in the State, from the seaboard to the mountains, have been engaged in burning houses, mills, gins, barns, horses and cattle, under just this species of advice. The *Standard* men are certainly not such fools as not to know what effect the advice they give will have upon the class to whom it is given. If they were ignorant of the state of the case when they first hung up their carpet bags in the State, they have certainly been here long enough, now, to find out by ocular demonstration the effects of that sort of advice upon the minds of a simple, yet half savage and ignorant people, who believe it right to burn, ravish, kill and destroy all whom they are taught are enemies to them, *when advised to do it.* It operates both ways and has been the cause of much damage and disorder.

The Rev. Mr. Paisley, colored Republican, now in the Penitentiary, told us that he and every man in Graham heard Outlaw boast that he fired on the Ku Klux, and that he would do so wherever he saw one. He might have taken any man, walking at night, for a Ku Klux, and shot him; but he was *advised*, and so he took his life in his own hands, the result was he was hung.

One unlawful act begets other unlawful acts. When a whole neighborhood is watching under a constant apprehension of being burnt out by a class of ignorant and superstitious people, *incited by the advice of their leaders* to acts unlawful, and under the latitude of that advice, night is made hideous with the glare of their incendiary torches, it is no wonder that acts of violences should occur, and the peace and good order of society should be disturbed.

We deprecate all lawlessness. We say no Ku Klux bands, disband; and to the rogues, disband also, and no longer listen to the advice of Ashley and the *Standard*, to bid defiance to law and order. No longer heed the counsels of men who would incite to murder and burning that they may hold office and fill their pockets on the hard earnings of the people.

GOV. HOLDEN'S TRIAL.

We are not surprised that the *Standard* and other such papers should attempt to create the impression that the impeachment of Gov. Holden is a Democratic party measure, and entirely actuated by party motives. That paper, and those who peculiarly represents, are not expected to tell the whole truth and nothing but the truth in the matter. If they ever have an honest conviction at all, it must be upon this question, and it must suggest to men that, as a violator of the law, as an encroacher upon the rights of the people, as a despoiler of constitutional liberty, Gov. Holden stands without a peer. And that, if he be arraigned by the people, through their Representatives, before the Court of impeachment, for trial for his offences, which is the only tribunal, according to the Republican judges of the State, before which he could be arraigned, his friends and abettors have the presumption to say that it is a party measure.

In one sense it is a party measure; Gov. Holden is one party, and the whole liberty-loving, law-abiding people of the whole State are the other party.

We would think little, indeed, of a single member of the House who was influenced in casting his vote for impeachment by the Governor's politics. We would think as little of a Senator who would allow the Governor's political tenets to influence his vote for or against conviction. There is not a single article against him for being a Republican, he must not be tried as such, nor be punished as such. We would think as little of those Conservative gentlemen who would be actuated by such motives, as we would of the Republicans who, from the position they have always held, social and political, know that the Governor has greatly exceeded his powers, yet defend him, and sustain him for the purpose of winning for themselves the plaudits of ignorance and prejudice. These are culpable, for they refuse to do what they know is their duty, and lend themselves to fanning and traducing the honest people of the State, who know their rights and will maintain them, and are endeavoring to have bad feeling and strife among the people in the State by sustaining that which is wrong, and declaring that which is wrong is untrue.

Holden will have a fair trial, and every member of the Senate—Republicans and Democrats—not to be actuated by personal or political motives in rendering a verdict, but to hear the evidence upon the conduct of the Governor just as that conduct stands in relation to the Constitution and the laws, and his oath to support, maintain and defend the same. We believe every Conservative and Democrat will do this. It requires no personal or party motives to govern in this decision. It is a plain matter of law and fact, and must and will be so decided.

We are led to these remarks by the suggestion of a Virginia cotemporary, which says that the "unguarded allusions of several exchanges as to what may be expected from a Democratic Legislature, are calculated to strengthen his (Gov. Holden's) supporters, and give a coloring to the cry of 'persecution' which the Radicals are already indulging in." The same article concludes:

"There can be no doubt that Gov. Holden desires anything else rather than a fair trial of the charges which an outraged and long-suffering people have preferred against him. If half which even his party organs confess be true, he richly merits the severest punishment."

CRYING MIGHTILY UNTO THE LORD.

The colored members of the Legislature have put forth an address to the colored people of the State, appointing Friday (hangman's day,) January 13th as a day of fasting and prayer for the safe deliverance of the late Gov. Holden from impeachment.

This address tells the negroes to "cry mightily unto the Lord" in the Governor's behalf. It charges the Legislature with the purpose to "let loose their murderous bands" upon the negro, comparing the Democrats and Conservatives to Haman, the colored members of the Legislature to Mordecai, and the great body of the colored people to the Jews of old, and is altogether a mischievous circular, filled with lying insinuations cloaked in a disguise of piety.

If the Governor wrote this address, as all familiar with his style, who may read it, will believe that he did, it shows that, notwithstanding his recent professions, he is void of christian charity and truth.

We have no objection to the colored people praying for the Governor, and doing it on empty stomachs, if they like, but to couple an appointment for this purpose with a blasphemous allusion to scripture, and a false and malicious accusation against the Conservative party, partakes too much of the piety of the devil to pass unnoticed.

JUDGE WARREN.

The election of Judge Warren to the Speakership of the Senate was a deserved compliment to that gentleman. He is one of the ablest men in the Senate, and will preside with that dignity and impartiality which pertains to that office. His conduct on the floor of the Senate during the present session, has won for him the high respect and confidence of all his fellow-members, as well as sustained his character as a statesman. Though suffering greatly from rheumatism, he is at his post very regularly, and manifests the liveliest interest in all that relates to the welfare of the people of his State.

"A PIOUS CUSS.—Governor Holden, of North Carolina, has just given indubitable evidence of his belief in the doctrine that we shall hereafter be judged and punished for the sins committed in the flesh. But he goes still further, and thinks that a man who deliberately contemplates the perpetration of a crime, may first lay his case before Heaven and then commit the act in full confidence that under all the circumstances he will be forgiven. The Governor having been impeached, writes Butler to come down and defend him.—Straightway thereafter, being pricked in his conscience, he professes religion, and is publicly baptised in anticipation of Butler's coming. We are taught to acknowledge the bountiful mercy of God, and not to sneer at the vilest outcast from the fold, but if Governor Holden hasn't transgressed the utmost limit of divine forbearance, we should like to know what may be the "unpardonable sin."—*New York Commercial Ads.*

We would say to the *Advertiser*, that while we are denied many of the rights which it is said the constitution guarantees to every American citizen, we protest that our people should be allowed to enjoy their religion according to the dictates of their own conscience, without animadversion or question from Northern men and editors.

As further evidence of the aggressive and uncharitable disposition of the North towards the South, we append the following from Mr. Bennett, in the New York *Herald* of last Tuesday:

"Governor Holden goes to his impeachment as if he were going to be hanged. On Friday he professed religion, and to-day he is to be baptized. He might have entertained some hope, even after he chose to accept these familiar accompaniments of the scaffold, but he has cut away all chance of safety by securing Ben Butler as his counsel. Ben was the evil genius of his client in the last impeachment trial he was engaged in, he is not likely to be more lucky in North Carolina, where the jury he must influence have doubtless long had an inordinate craving for his blood."

This is no more nor less than an encroachment, on the part of these gentlemen, upon the religions as well as civil rights of the South.

COURT OF IMPEACHMENT.

The Honorable Chief Justice Pearson appeared yesterday, in obedience to the request of the Senate, and organized the High Court of Impeachment, for the trial of W. W. Holden, Governor of the State.

Quite a number of spectators were present.

Precisely at 12 M. the managers on the part of the House of Representatives appeared at the bar of the Court, and demanded that the Court take process against W. W. Holden, and that he be notified to appear before that Court for trial, to answer the articles of impeachment preferred by the House of Representatives.

Process was properly issued, and served on the Governor. In due time, he appeared by counsel, Mr. R. C. Badger, who, in the name of the Governor, asked to be allowed thirty days for preparation and answer. It was granted, after which the Court adjourned until 23rd of January.

The proceedings were conducted with that decorum which the gravity of the occasion demanded.

Proceedings in full will be found in our columns.

Legislature of North Carolina.

SENATE.

FRIDAY, Dec. 23.

The Senate met at 10 o'clock.

The President in the Chair.

Prayer by the Rev. Mr. Branson of this city.

PETITION.

Mr. Merrimon presented a petition from Wm. Smith, Engineer of Marion and Asheville Turnpike Road, which was read and referred to the Committee on Claims with instructions to report a suitable resolution.

REPORTS OF COMMITTEES.

Mr. Graham, from the special Committee on rules for the government of the impeachment trial made the following partial report, to wit:

Rule 1st. Before proceeding to the consideration of the articles of impeachment the presiding officer shall administer to the members of the Senate then present and to the other members as they shall appear, the following oath:

I, ——, swear truly and impartially to try and determine the charges in the articles of impeachment exhibited against William W. Holden, Governor of the State of North Carolina, under the Constitution and laws thereof according to the evidence, so help me God.

Rule 2nd. The Principal Clerk of the Senate shall act as Clerk of the Court of Impeachment, and shall record the proceedings of the Court in the same manner as the Legislative proceedings of the Senate.

Rule 3rd. The Doorkeeper of the Senate shall execute all orders of the Presiding officer and of the Senate and he may employ such assistance as may be necessary for that purpose.

Rule 4th. Counsel for the parties shall be admitted to appear and be heard upon an impeachment.

Rule 5th. Before proceeding to the trial on each day the following proclamation shall be made by the Doorkeeper of the Senate; O yes, O yes, O yes, all persons are commanded to keep silence on pain of imprisonment, while the Senate of North Carolina is sitting for the trial of articles of impeachment against William W. Holden, Governor of North Carolina; which were adopted.

Mr. Cowles, who was appointed by the Senate to visit the Chief Justice and request his attendance on the Court of impeachment of W. W. Holden, Governor of this State, reported that he had complied with the wishes of the Senate, and that the Chief Justice had accompanied him on his return to this city, and presented the following communication from his Honor, to wit:

RALEIGH, Dec. 23, 1870.

E. J. Warren, President pro tem of Senate:

SIR: I will be in the Senate Chamber at 12 o'clock, M., instant, to the end that a Court of Impeachment may be organized as is required by law.

Respectfully yours,
R. M. PEARSON, C. J. S. C.

On motion of Mr. Gilmer, the organization of the Court of Impeachment was made the special order for the hour of 12, to-day.

On motion of Mr. Jones, it was ordered that a Committee be appointed to wait upon his Honor the Chief Justice when the hour of 12 should arrive. The President appointed Messrs. Jones and Lehman.

Mr. Allen, Commissioner to take depositions in the contested election from Granville and Person, reported that he had been engaged in the duties of his Commission ever since the 13th inst. and with the aid of his efficient Clerk, W. P. Batchelor, he was able to report a considerable number of depositions. He had adjourned his Court over to the 2nd of January, and hoped to be able to complete the labors of his work by the re-assembling of the General Assembly after the recess.

On motion of Mr. Graham, the report and accompanying papers were referred to the Committee on Privileges and Elections.

Resolution authorizing the Principal Clerk of the Senate to employ a Stenographer to report the proceedings of impeachment trial, was adopted.

Resolution authorizing the Public Treasurer to pay to Mr. Cowles a sufficient amount to cover all necessary expenses, incurred in going after and returning with the Chief Justice, passed its several readings, was ordered to be engrossed and sent to the House.

Bill to construct a Turnpike Road through the counties of McDowell and Buncombe, passed its several readings.

Bill in favor of S. A. Kelly, Sheriff of Davie county, passed its several readings.

Bill to allow enterers of vacant lands further time to obtain grants from the State: passed its several readings.

Resolution requiring the Governor of this State to make requisition of Governors of other States for Geo. W. Swepson and Milton S. Littlefield, was adopted.

Bill to provide for filling vacancies which may occur in county offices, passed its several readings.

FROM THE HOUSE.

A message was received from the House transmitting the bill relating to recess, proposing to adjourn on the 24th, and to meet again on the 16th of January, and asking the concurrence of the Senate.

On motion of Mr. King, the Senate concurred.

Mr. Lehman moved to reconsider the vote, and moved to lay the motion on the table, which prevailed.

The hour of 12 M. having arrived, the Chief Justice, accompanied by Messrs. Jones and Lehman, entered the Senate Chamber.

Mr. Jones said: Mr. President: Your Committee, empowered to wait on the Chief Justice, would announce to the Senate that the Chief Justice is present.

The President: The Chief Justice will come forward and take the seat of the Presiding Officer.

Upon assuming the seat, the Chief Justice said:

SENATORS: Having been notified by the Senator from Yadkin and Surry, I am present to take part in forming a court for the trial of the Governor of the State. There is one question which has been called to my attention. I noticed that in the trial of the President of the United States, the Chief Justice of the United States thought he must take an oath, because the constitution of the United States does not make that a part of his official duty. The view that I take of it is that, in as much as by the constitution it is made a part of my official duty to take this post, I think the oath I have already taken is enough. Therefore I shall not take another, unless Senators think it proper. I have consulted with some members, and they agree with me in this view. I suppose that it is not necessary for me to mention that I intend, of course, to do my duty impartially and according to law, and that would be the substance of the oath.

The Chief Justice then ordered a call of the Senate, and 36 Senators responded to their names, viz: Messrs. Adams, Allen, Bellamy, Brogden, Cook, Council, Cowles, Crowell, Currie, Eppes, col., Flemming, Gilmer, Graham, Hawkins, Hyman, col., Jones, King, Lassiter, Ledbetter, Lehman, Mauney, McClammy, Merrimon, Moore, Morehead, Murphy, Norment, Olds, Price, col., Robbins, of Davidson, Robbins, of Rowan, Skinner, Troy, Warren, Whitesides and Worth.

The Clerk was instructed to call the first six and so on until the Senators present were sworn in. [The oath contained in the report of Mr. Graham to-day was administered.]

The Chief Justice said, oath having been administered I announce that the Court of Impeachment is organized for the trial of William W. Holden, Governor of the State of North Carolina.

He said that the rules adopted by the Senate in the capacity of Senators was not binding on the Court and should be adopted by the Court.

On motion of Mr. Graham, it was ordered that rules adopted by the Senate for the government of the impeachment trial, be retained for the use of this body until further orders.

On motion of Mr. Graham, it was ordered that the Principal Clerk of the Senate notify the House that the Senate is organized for the trial of Impeachment of William W. Holden, Governor of North Carolina, and are ready to receive the Managers of Impeachment at its bar.

The Doorkeeper was instructed to make the Proclamation provided in the rules adopted by the Court.

The Clerk and Doorkeeper were then sworn in.

On motion it was ordered that the Doorkeeper arrange seats in front of the bar for the accommodation of the Managers from the House.

The Chief Justice stated that the Doorkeeper had delivered the message to the House and the return was that the Managers would appear in the Senate Chamber at 1 o'clock.

On motion of Mr. Robbins of Rowan, it was ordered that the Court take a recess until five minutes to 1.

The hour of 1 having arrived the Committee announced the return of the Chief Justice.

The Doorkeeper announced the arrival of the Board of Managers from the House. The Chief Justice invited them forward.

Mr. Sparrow, (Chairman of the Board of Managers) said, Mr. Chief Jutisce, we are instructed by the House of Representatives as its Managers to demand that the Senate *take process* against William W. Holden, that he may answer at the bar of the Senate, upon the articles of impeachment heretofore preferred by the House of Representatives, through its Managers before the Senate.

On motion of Mr. Lehman, it was ordered that a summons be issued to William W. Holden, Governor of the State of North Carolina, to appear and answer the articles of impeachment heretofore exhibited against him, and the said summons be made returnable forthwith.

On motion of Mr. Graham, it was ordered that the following form of summons be adopted, to wit:

THE STATE OF NORTH CAROLINA,
The Senate of North Carolina,

To William W. Holden, greeting:

Whereas the House of Representative of the State of North Carolina, did, on the 20th day of December, 1870, exhibit to the Senate articles of impeachment against you, the said William W. Holden, which said articles, appended to this summons, demand that you, the said William W. Holden, should be put to answer the accusations as set forth in said articles, and that such proceedings, examinations, trials and judgments might be thereupon had as are agreeable to law and justice. You, the said William W. Holden, are, therefore, hereby summoned to appear forthwith before the Senate of North Carolina at their Chamber in the City of Raleigh, then and there to answer to the said articles of impeachment, and there to abide by, obey, and perform such orders, directions, and judgments as the Senate of North Carolina shall make in the premises, according to the constitution and laws of North Carolina. Hereof you are not to fail.

Witness R. M. Pearson, Chief Justice and Presiding Officer of the said Senate, at the City of Raleigh, this 23d day of December, 1870.

(Signed) R. M. PEARSON,
Chief J. S. C.

THE STATE OF NORTH CAROLINA,
The Senate of North Carolina,

To Joseph J. Robertson, Greeting:

You are hereby commanded to deliver and leave with William W. Holden, if conveniently a true and attested copy of the within writ of summons together with a like copy of this precept, and let it be done forthwith.

Fail not and make return of this writ of summons and precept with your proceedings thereon endorsed before the appearance day mentioned in said writ of summons.

Witness, R. M. Pearson, Chief Justice and Presiding Officer of the Senate at the City of Raleigh, this 23rd day of Dec., 1870.

[Signed] R. M. PEARSON,
Chief J. S. C.

RETURN.

The foregoing writ of summons has been duly served upon William W. Holden, Governor of the State of North Carolina, by delivering to him a copy of the summons the 23rd day of December, 1870.

[Signed] J. J. ROBERTSON,
Doorkeeper and Sergeant-at-Arms.

The Chief Justice announced that the Doorkeeper had served the summons and that the Governor would appear before the Court by counsel.

Mr. R. C. Badger, (counsel for the Governor) appeared before the bar and read the following reply to the summons, to-wit:

Mr. Chief Justice: I William W. Holden, Governor of North Carolina having been served with a summons to appear before this honorable Court, sitting as a Court of Impeachment to answer certain articles of impeachment found and presented against me, by the honorable the House of Representatives of the State of North Carolina, do hereby enter my appearance by my counsel, Richard C. Badger, who has my warrant and authority therefor, and who is instructed by me to ask of this honorable Court a reasonable time for the preparation of my answer to said articles. The time has been so short since my impeachment that I have not yet received replies from other members of the bar to whom I have written requesting them to appear as my counsel in this honorable Court. I therefore respectfully ask that they may be hereafter added to the counsel already employed by me. After a careful examination of the articles of impeachment and consultation with my counsel, I am satisfied that at least thirty days will be necessary for the preparation of my answer, and I respectfully ask that it be allowed.

Signed W. W. HOLDEN.

Richard C. Badger of counsel for the respondent moves the Court for the allowance of thirty days for the preparation of the answer to the articles of impeachment and in support of the motion makes the following professional statement:

The articles are eight in number, involving many questions of law and a very great number of fact. They were exhibited in the Senate on Monday the 19th day of December, instant, and their contents only brought to the knowledge of the respondent on the day following, when they appeared in one of the daily newspapers published in the city of Raleigh.

The respondent on account of the shortness of time has not yet had replies from the other counsel to whom he has applied to appear for him jointly with myself and this season of the year at which according to the customs of this country all persons make their arrangements for the incoming year will cause the loss of at least seven day asked for.

(Signed) R. C. BADGER,
Counsel for the respondent.

Chief Justice: The managers have heard the motion, what disposition will they make of it?

Mr. Sparrow said it was the desire of the managers, that the respondent should have full time to prepare his reply to the charges presented against him, and he was instructed to say the time asked for would be agreeable to the board of managers.

If no objection was made, the motion would be considered granted.

Objection was made.

Mr. Sparrow said the board of managers desired to know if the respondent would ask for a longer time after the expiration of the thirty days asked.

Mr. Badger answered the Court that the Governor would throw no obstacle in the way to delay the trial, but simply desired the time necessary to complete his reply.

On motion of Mr. Graham, it was ordered that the respondent file his answer to the articles of impeachment on or before the 23d day of January, 1871, and that the Managers of Impeachment file their replication thereto within six days thereafter, and that the matter stand for trial on the 30th day of January, 1871.

The Chief Justice gave notice that the Court would stand adjourned until the 23d of January.

The Managers and Counsel for the Governor retired.

FROM THE HOUSE.

A message was received from the House transmitting a resolution to pay employees of Clerks and Doorkeepers, asking the concurrence of the Senate.

On motion of Mr. Ruffin, the rules were suspended and the resolution was concurred in.

On motion the Senate adjourned.

HOUSE OF REPRESENTATIVES.

By Mr. Strudwick: A resolution to raise a Joint Committee on Contingent Expenses.

On motion of Mr. Strudwick, the rules were suspended, and the resolution passed its several readings.

A message was received from the Governor (published in open session) by the executive office, which was read and ordered to be printed.

On motion of Mr. Powell, the rules were suspended and the bill in favor of the Sheriff of Chatham was taken up and passed its several readings.

On motion of Mr. Johnston, of Pasquotank, the rules were suspended, and the bill to incorporate the Eastern Division of the Western N. C. Railroad, was taken up.

Mr. Jones, of Caldwell, moved to postpone the consideration of the bill until the 30th of January, 1871. Resting on a point of this roguish he should be well considered before being passed, and in order that this consideration might be had, is made the motion to postpone.

Messrs. Nicholson, Crawford and Holton argued in favor of the postponement.

After some debate, Mr. Jones of Caldwell, moved the previous question on his motion to postpone, which was sustained, and a vote being taken, the vote prevailed.

Mr. Tomlinson offered a resolution appointing Patrick McGowan temporary Keeper of the Capitol; placed on calendar.

On motion of Mr. Mills, the rules were suspended, and a bill to change the line between the counties of Burke and McDowell was taken up. [Repeals the act of the last Legislature changing the line.] The bill passed its second reading by a vote of yeas 51, nays 12.

By Mr. Lackey: A bill in regard to the Insane Asylum; referred.

On motion of Mr. Grayson, the rules were suspended and the bill in regard to the county lines of Burke and McDowell, was taken up and passed its third reading.

By Mr. Jones, of Caldwell: A bill concerning elections in this State, (provides that all voters shall vote in the precinct in which they reside.)

On motion of Mr. Jones, the rules were suspended and the bill passed its several reading.

Mr. Jones moved to suspend the rules and put the bill on its third; lost for the want of a quorum.

A message was received from the Senate announcing that that body had organized as a Court of impeachment, and was ready to receive the Board of Managers on the part of the House.

The Speaker announced that a message would be sent to the Senate that the Board of Managers would appear at the bar of the Senate at 1 o'clock.

On motion of Mr. Marler, a call of the House was had and 60 members answered to their names, (which, with the Speaker, makes a quorum.)

On motion, further proceedings under the call were dispensed with.

On motion, the House then adjourned.

EXECUTIVE DEPARTMENT OF N. C.

WHEREAS, since the publication of my Proclamation, of date, 14th December inst., appointing the 14th day of January next, as the time for holding the election to supply the vacancy in the 30th Senatorial District, our General Assembly has passed an act, altering the time of said election, as follows:

AN ACT IN RELATION TO AN ELECTION TO FILL THE VACANCY IN THE 30TH SENATORIAL DISTRICT.

CITY AND STATE ITEMS.

SATURDAY, DECEMBER 24, 1870.

☞ Thos. N. Ramsay, at Business Clerk, is authorized to make contracts and give receipts, &c., &c.

Mr. Douglas Bell advertises a residence on Halifax street for sale. It has just been finished for Mr. B.'s own use, but for reasons, he has determined to sell. It is a frame building, two stories, seven rooms, and cellar under the whole house; kitchen with four rooms, good well, &c. It is located in a most pleasant portion of our city, and can be bought on reasonable terms, by calling early on Mr. Bell, at his new store.

Our Young Men.—It is a source to us of real pride to note the number of quite young men in our present Legislature, and the zeal and energy, as well as ability they display in the performance of the duties which devolve upon them. Though inexperienced in such matters, they make up for it by an evident desire and anxiety to guard well the trusts confided to them, and to do that which will tend to the relief and the future welfare and greatness of North Carolina. They deport themselves with that dignity which should always characterize legislators, and when a matter is under discussion they approach it with a discretion and deliberation of purpose which shows that they have an eye single to the benefit of the people. There is life in the old land yet, and North Carolina has just cause to be proud of her young men, and of more than those who now represent her people in her Legislature.

Number Two.—The second number of the *Weekly Gazette*, published by A. H. Dowell, Esq., in this city, is out, and presents quite an improved appearance on the first number. The *Gazette* is not very Radical yet, and it has one advantage over some other Radical papers of the State—it is edited and published by a native of the State, who knows something of the feelings and wants of the people. Whether he shall hereafter have regard for these feelings and wants, remains to be seen. In the meantime, we think the *Gazette* worthy the patronage of the party in whose interest it is published.

Commission to Investigate Fraud.—Col. Robt. Strange, of Wilmington, David S. Reid, of Rockingham, and M. V. Lanier, of Granville, have been appointed a Commission to investigate Railroad frauds, with enlarged powers, by the present Legislature. The bill calling for this investigation, and making this appointment, was introduced by Mr. Jordan, the able Representative from Person county. We are satisfied, now, that much that has heretofore been secreted and withheld in connection with the infamous frauds perpetrated upon the State by Swepson, Littlefield & Co., will now be brought to light. Mr. Jordan deserves credit for the zeal he displays in putting upon foot such measures as will secure to his people information of the manner of their spoliation, and by whom it was done.

The Charlotte Democrat.—We are glad to see that Mr. Yates has succeeded in fitting up the Democrat office and is getting out his paper again, after the disastrous fire which destroyed his old office in November last. It presents the same appearance as formerly, printed on the same kind of type, but of course the new material gives it a neater and newer appearance.

The editor states that he has not succeeded in fully re-arranging his subscription books, and asks his old subscribers to furnish him with their names, the time paid for or time unpaid. If we might, without presuming, make a suggestion on the subject we would say to every one of the old patrons of the Democrat to get one new name in addition to his own and pay up a full year's subscription *from the first of the* incoming year, in every instance where the amount of advance payment is a matter of doubt.

A New and Interesting Book.—We have received from the publishers, J. B. Lippincott & Co., Philadelphia, through Mr. Jesse A. Jones, bookseller in this city, a new and interesting book, entitled "What She Could," by the author of "The Wide, Wide World." To those who have had the pleasure of reading this last named work we need only say that "What She Could" falls no whit behind it in pleasing colloquial style, interesting incidents and naturalness and simplicity in narration. It is a most suitable present for a parent to make to a child; indeed, it is a very suitable book for any body to make a present of to any body else, or for any body to buy for his or her own reading. Whoever reads it will be sorry to reach the "finis," and will feel that the author ought to write another volume as a sequel to this.

Auction! Auction!! Auction!!!—Jacob Weil, No. 34 Fayetteville Street, begs leave to inform the citizens of Raleigh that his last sale takes place on Saturday night, December 24th, when every article must be sold without reserve.

W. H. JONES & CO.,
dec 22-3t Auctioneers.

For Coughs, Colds, and Throat Disorders, use "*Brown's Bronchial Troches*," having proved their efficacy by a test of many years. The Troches are highly recommended and prescribed by Physicians. Those exposed to sudden changes should always be supplied with "*The Troches*" as they give prompt relief.

Owing to the good reputation and popularity of the Troches, many *worthless and cheap imitations are offered, which are good for nothing.* Be sure to obtain the *true* article.

"Push things."—The season for making hearts glad is upon us. One of the best ways of giving pleasure is, to give presents—appropriate presents, because, in addition to the sense of having something valuable, an appropriate present carries with it a token of the love, friendship or good will of the giver.

Parents, at this season, give tokens of love to their children; wives have little surprises for their husbands, and husbands—we mean good, affectionate husbands—seek for appropriate gifts for their wives. For this purpose we know of nothing more appropriate and useful than one of those beautiful chromos, photographs or steel engravings to be found at Clawson's. Women like to adorn their homes, and some of these pictures would be the very thing for it. We have given the hint, who will take it.

Grand Republican Rally.—There was announced a Grand Republican Rally at the Court House, last night, but there was "nary rally." About forty-five, mostly colored, assembled after three ringings of the bell, and Whitson, otherwise known as "collards," who wants to be Mayor of Raleigh! norated. He quoted scripture and mythology; accounted for the fall of man and North Carolina bonds; was interrupted by Farris and also by the poor prospect of his success; disgruntled Friday Jones, and finally, *hopless nearly*, that is, wilted like a coddled collard leaf, and—that's about all of it.

Catholic Services for Christmas Day.—Priests have the privilege of celebrating Mass three times on Christmas day, and on no other day throughout the year. High Mass will take place in St. John's Church at 4 o'clock to-morrow morning, and will be followed immediately by Low Mass. The late service will be at the usual hour, 11 o'clock.

Census, under the Market House, having been complained to on account of his restrictions upon "married men" visiting his "lamb" room, has consented to receive them, and has a first rate apartment for their special accommodation. He hopes during club hours that the subject matter before the meeting may always receive proper consideration, and that every attendant will speak to the *point*.

The Red Mark.—Last week we put the red cross on the papers of those who are in arrears to the Weekly Sentinel, with a notice that, after that issue, all who had not complied with the terms of subscription would be erased from the subscription list.

To-day we again put the red cross on the Daily of those who are in arrears, and after this issue shall erase the names of all who do not respond, by the 29th inst., in the remittance in advance of the price for the paper, according to the terms of subscription. We shall dislike exceedingly to have to erase a single name, but the necessity of the case leaves us no alternative.

If, in the excision of names, we shall make any mistake, we will cheerfully correct them, on being informed.

Next week we shall proceed to arrange the list of our Semi-Weekly in the same way. Let Semi-Weekly subscribers look out for the red-mark next week.

DIED,

At her residence, in this city, on Sunday morning, the 18th inst., Miss Ophrey Hinton, daughter of the late John Hinton, Esq., of Wake County.

When one falls asleep in Jesus, who has led a life of christian fidelity and usefulness, and whose character, naturally noble, has been adorned by the loveliest graces of the spirit, the whisper which she receives is not so much to her as to the grace of God, which was in her. The subject of this brief notice was, in some respects, highly favored in the circumstances of her life, and in its close. She was justly endeared to a large circle of loving kindred. The name which she bore has been known and respected in this community for more than one generation, but had never been borne by one more worthy of respect than herself. Her character was marked by a strong sense of justice toward all, and a singular benignity and kindness toward the poor and needy. Her temperament was cheerful and happy, and in her last illness she rested her hope upon her gracious Saviour with great humility, but with astounding trust. "Precious in the sight of the Lord is the death of His saints."

FOREIGN.

Bordeaux, Dec. 21.—Several sorties from Paris yesterday. Gen. Vinoy took La Maison Blanche, beyond Gayne, six miles east of Paris. Gen. Ducrot fought a battle near Bremancy.

It is officially announced that a few Prussians entered Tours last night; they belonged to Mackay post. The enemy which holds Meaudon, where the combat occurred, in the evening withdrew toward Paris.

A balloon from Paris, which left at 2 o'clock, the 21st, arrived at midnight with dispatches for Gambetta. It reports Paris in excellent condition. Military operations were resumed yesterday; the battle fought was favorable to the French. The artillery was especially successful.

Berlin, Dec. 23.—The Germans under Von Der Goltz surprised the French at Langres, in the department of the Haute Marne, and drove them from their position. The French loss in killed, wounded, prisoners and material, was heavy.

Bordeaux, Dec. 21.—Several engagements near Tours yesterday. Six thousand French fought ten thousand Prussians 7 hours. The French retreated and the Prussians followed and commenced bombarding Tours, when the Mayor surrendered the city. This evening the Government announces the enemy has evacuated Tours and is retreating towards Amboise Remault. Gen. Bremer, near Nluts, checked the Prussians; he advises the Government of his ability to keep the enemy from advancing.

London, Dec. 22.—The Prussians are moving to attack the army of the North at Laon, Lafete and Janney.

The weather is cloudy. The eclipse was imperfectly seen in the South of England. It was well observed in the North, especially at Wick.

Friday Night Dispatches.

Washington, Dec. 23.—The Star thinks the President will appoint Fred Douglas to San Domingo.

Dr. Andrew Lewis, revenue collector of Indiana, has been arrested for alleged embezzlement of government funds.

Senators Harris and Kellogg. It is authoritatively announced that a resolution will be introduced on the meeting of the Legislature, demanding their resignation.

GEORGIA ELECTION.

Augusta, Dec. 23.—The official vote of Richmond county elects the Democratic ticket by 800 majority. The Democrats carry the 5th district by 4000 majority, electing S. A. Corker and D. M. Dubers to Congress, and four fifths of the members of the Legislature.

Savannah, Dec. 23.—It is believed that the Democrats elect all the county officers in Chatham and members of the Legislature.

Payne and McIntyre, Democrats are probably elected to Congress from the first district, and Rufus E. Lester, Democrat, State Senator from Lexington. The Democrats carry Ogle thorpe county by 300 majority.

Rome, Dec. 23.—The Democrats carry Floyd county by 1,000 majority, electing the full ticket, also Chattanooga and Pots counties. Chattahoochie county gives over 3,000 Democratic majority. Marion, Stewart and Talbot counties reported Democratic. Eight Democrats are thought certainly elected to Congress.

Macon, Dec. 23.—Quite many counties have gone Democratic. Bibb County elects Republicans to the Legislature by an average majority of 58. In this County there was much illegal voting, and the election will probably be contested. Early, Sumter and Dooley Counties are Democratic; Dougherty, Lee, Clay and Tyrrell Counties are doubtful.

Macon and Houston counties are largely Republican. Twiggs gives 400 Republican majority. Jones is supposed to be Democratic. Wilkerson is Republican. Lougin beats Lawton for 41st Congress by 51 votes and Speer beats Lawton for 42 Congress by 51.

A telegram from Lyons of the 22nd, announces Gambetta's enthusiastic reception there.

Official advices from Paris of the 21st, say, operations were resumed to-day and only closed at night. Generals Malroy and Blaise occupied Neuteity and Marne, villa Evrard and Maison Blanche on the east. The fire of the enemy was silenced at all points. After a short combat, in which Gen Favre was wounded, the troops from St. Dennis, under Admiral Rouriere, carried Bourget, to the North of Paris, but were unable to hold the place and retired with 100 Prussian prisoners.

Ducrot fought also, on the south of the city, in a violent artillery action against Mont Albon and Biese Meirli. At night Ducrot occupied Grosbay and Drangy.

Gen. Noll made a feint on the side of Mont Valerian against Monterlout and occupied the Island of Chatel. The mobilized national guard fought with the troops. The engagements displayed great ardor. 110 *Awards* Drawn.

Whole Certificates, $5; Halves $2 50 Quarters, $1 25.

WHAT THE CITY PRESS SAY:

PRIZE DRAWING.—Quite a crowd assembled at the Theatre yesterday noon, to witness the Grand Drawing of the North Carolina Beneficial Association. There were 100 prizes in all, and little rolls of paper separating these were placed in a wheel on one side, while the tickets were in another wheel opposite to the former. Between the two was a table, at which sat the Judges and Mr. John London, Commissioner. The wheels were made with glass sides, so that everything within them could be seen and were securely locked, until the drawing began. This was done by means of two little boys, who were securely blind folded, one drawing a number from one of the wheels and the other the prize to correspond with it. There is no question but that the drawing was done in a perfectly fair and just manner.—Wilmington Daily Journal, Dec. 2nd.

THE GRAND DRAWING YESTERDAY.—The grand single number distribution of the N. C. Beneficial Association, which took place at the Theatre yesterday, at 1 o'clock, was the all absorbing theme during the day. The drawing took place in public, a committee having been selected from the audience to act with the Commissioner in keeping an account of the same and to see that it was conducted fairly. Quite a respectable crowd was present to witness the drawing. The following numbers drew the principal prizes: No. 4618, $5,000; No. 6935, $2,500; No. 5776, $2,500; No. 2842, $2,000; No. 1407, $2,000; No. 4472, $1,000; No. 1466, $500. LIFE INSURANCE AS AN INVESTMENT.

THE

WIDOWS AND ORPHANS

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON FORFEITABLE, WHOLE LIFE AND ENDOWMENT POLICIES, on the Mutual Cash Plan, declaring dividends annually after the first annual premium paid. Assets exclusively Cash, with no portion of its reserve fund in premiums notes, consequently its "reserve" is stronger than that of any company doing business in this State. No "definite surrender values guaranteed" as an inducement to new business, but reference is made to the average amount paid on each surrendered policy, as shown by the New York Insurance Reports, 1869, as evidence of having paid larger surrender values, than has been given under a nominal "Definite Cash Surrender Value." Death losses have not occurred out of several hundred policies in force in this State, which fact must establish the better ability of the Company to pay larger dividends than companies having an excessive mortality, the result of a selection of bad risks. "Fictitious Dividends" are not declared, but dividends are given from the actual surplus in accordance with the Company's charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

TONTINE DIVIDEND PLAN:

Ordinary Life Policy, Tontine Dividend Plan.	Ordinary Life Policy, Mutual Plan Cash Co.	Ordinary Life Policy, "Stock" Company.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation for judgment of investment, economy of management, and skill and care in the selection of risks, upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the cash value of their Policies, each and every year, and a certain legal standard of reserve and accumulation must be held by the companies to meet all their liabilities.

Persons in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its Cash assets are upwards of $13,000,000.000 00, and constantly increasing.
2. None of this is made up of Promissory Notes, as in many Companies.
3. Its Cash Income per annum is over $6,000,000 00, and steadily growing larger.
4. None of this is composed of the notes of hand of policy-holders, as is the case in many Companies.
5. It has paid to Widows and Orphans, and other claimants under policies on deceased members, about $4,000,000 00.
6. Such payments are made in Cash, and not partly in Cancelled Notes, as is the case in many Companies.
7. No deductions are made from the face of a Policy, for Premium Notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000 00, and upwards, is each divided among Policy-Holders, (this included the dividend for the present year,) as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the Stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available, as cash in payment of Premiums.
11. The dividends are made from the start, and not postponed until the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made More progress since its organization than any other Life Company in the World.
14. Its risks have been so carefully selected, and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other Company in the World.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment Policies."
17. The amount of new business during the year, ending December 1, 1869, was $51,021,041.
18. Its Policies average larger in amount than those of any other Company, showing that Capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many Companies.
20. It is as liberal in the conduct of its business as is consistent with the safety of the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business, as is the case with many new Companies.
21. It is the favorite Company in the United States, as is shown by its new business last year, being nearer $15,000,000 greater than any other Company.
